

# Home of Harmony – 2023 Report

In 2023, the main activities at the Home of Harmony included weekly **guest lectures and music performances** (Know and Love event series), **Yoga and Meditation sessions**, and **online courses offered by the School of World Religions**.

Throughout the year, guided tours of the premises were given to visitors from all over the world— out-of-town devotees and visiting monks resided at the guest facilities and the monk quarters, respectively. A special symposium was organized during the Parliament of World Religions in August.
